

## EZ Qualifier - Get Started – Loose Rounds

### Range equipment

One (1) Snub Noir Target

Nine (9) live rounds of .38 ammunition

One (1) spent round of .38 ammunition (Optional only)

PACT timer (if available) or simple stopwatch timer on your phone if there is no available PACT timer.

Your Necktie

### Drill Directions

1. Set the Snub Noir target near to the back stop at seven yards from the shooter.
2. All shots will be recorded as Hit or Miss
3. Fill your front pant pocket with one live loose round.
4. With your unloaded revolver in your hand, held in a low ready position, start the timer.
5. At the signal, empty (any) spent cases and load one round into the cylinder.
6. Fire **one (1)** live round **only**. Record the hit or miss, and the time.
7. Repeat the drill with two rounds in the pocket, and load both rounds, being sure to fire only **one (1)** live round.
8. Again, record the hit or miss, and the time.
9. Repeat the drill, loading three, then four, then five live rounds. Firing only **one (1)** live rounds per stage until you have fired all five drills.

Fill in your score information on the sheet located below, and then head to the SnubNoir.com web page. You will find the score input page under the EZ Qualifier - Get Started button in the banner located on the top of the page.
